CAPSOUl CONNEXION are JAZZMAN from Switzerland and THILO NOACK from Berlin. They play as a team DJ and have been organising own parties since 2006 in Berlin. Raik and Thilo present until today a style, that includes all facets of house music with a touch of soul. In spring 2006 they gave their long-standing project the name CAPSOUL CONNEXION. No Philosphy - only House. Dope!
